Incident Address:			
Nearest Town:	DUCHESNE	County:	DUCHESNE
Highway:		Mile Marker:	
UTM:	(E) 518965 (N) 4407181	Land Ownership:	SITLA

INCIDENT SUMMARY

During maintenance on a water injection well, there was a flowback causing 50 barrels of production water to spill. Most was contained to the site, but some spilled off site. Spill was only onto soil and no waterways were affected. Travis Troy from UDOGOM helped with cleanup by recommending a new ditch for additional runoff and waste was hauled to IWM in Duchesne.
