Nearest Town:	DUCHESNE	County:	DUCHESNE
Highway:		Mile Marker:	
UTM:	(E) 551948 (N) 4452231	Land Ownership:	Private

INCIDENT SUMMARY

Caller reported a hydrogen sulfide odor from a gas well. The well is located 1000 feet north of his residence. Caller suspects the flare went out on the well head. Caller stated he would contact Fire Department to have the gas levels checked.

Caller did not know the well owner but stated the well was near the Blue Bench injection well. Data on the DOGM website indicates the well may be the Flying Dutchman 12-18-17-C4-2Hv owned by EP Energy.

ACTIONS TAKEN	Date	Agency	Action	Action Details
	6/2/2021	DOGM	Update	6/2/21 08:47: Lisha Cordova (DOGM) provided information that Orlan Wallace (DOGM) was the inspector that visited the site. Orlan visited with the residents and inspected the Flying Dutchman well. At this time, the Flying Dutchman well is not the likely source and the nearby Blue Bench Injection facility is being evaluated as a potential source. Tri-County Health will conduct air monitoring of the area.
	6/1/2021	DOGM	Site Visit	6/1/21 13:52 - Bart Kettle (DOGM) notified the UDEQ that an inspector would visit the site today.
