INCIDENT SUMMARY

Packing blew out on an oil well resulting in around 5 barrels of crude oil to go onto the dirt of the well pad. 5 gallons of this misted off location onto soils and vegetation. The 5 barrels spilled onto the well pad were cleaned up and hauled to EEI Disposal. The 5 gallons that misted off site has been cleaned up as much as they could; Finley Resources will continue to monitor it and clean it up with oil absorbing spray if needed. Caller is going to notify UDOGM and landowner. No surface waters were impacted.
