INCIDENT SUMMARY

Caller wishes to remain anonymous. Alleges domestic sewage is dumped at the reported location but could not provide evidence. Complainant believes sewage is being dumped because there is not city sewer in the area and they do not believe a septic system has been installed. Complainant did not provide a physical address but reported the location to be residential, north of The Big G facility, before the powerlines and on the left side of the road (45000 W) when heading north. The listed physical address was searched based on the reported location. Complainant states that this issue has been reported to TriCounty HD. Complainant states there is a small creek that runs close to the subject property but that they have not observed any discharges or contamination to the creek. The creek is currently dry but will flow in the spring.
