INCIDENT SUMMARY

Caller reported release of 10 barrels of crude oil from well location Aurora SWD 3-26. The release occurred after a tank valve malfunctioned. Crude oil impacted soils on and off the well location. Release occurred only to private property owned by Finley Resources. Finley Resources will excavate and transport contaminated soils to Brennan Bottoms Disposal Facility.

No waterways or wildlife were impacted by the release.

Lat/Long: 40.18828°/-109.6366°
