Nearest Town:	ALTAMONT	County:	DUCHESNE
Highway:		Mile Marker:	
UTM:	(E) 554954 (N) 4464144	Land Ownership:	Private

INCIDENT SUMMARY

Caller reported a small produced water spill off-site. This occurred after the packing on a flow control valve failed on a main water disposal line releasing approximately 10 barrels of produced water. Containment was built around the spill and a vacuum truck retrieved about 7 barrels of the spilled produced water. No visible hydrocarbons were seen in the production water. The valve has been locked out and repairs will be made next week. No waterways were impacted.
